

Job Description

Your Benefits:

- **Work where others go on vacation** – located in the middle of Chiemgau, you will find the Chiemsee, the Alps, and Salzburg in close proximity.
- **Meaningful work** – our work supports, among other things, humanitarian aid missions in Africa.
- **Family values** – open-minded, family-oriented work atmosphere with a culture of informal address.
- **Flexible working** – flexitime arrangements with overtime compensation and time off in lieu, as well as 25 days of annual leave to promote your work-life balance.
- **Modern workplace design** – ergonomic and latest technical workplace equipment.
- **Start-up assistance when moving** – we support you in finding your new home and provide a relocation bonus.
- **Numerous other benefits** – a permanent employment relationship with individual training and development opportunities, company events, free coffee, and tea.

Company: GHS
Contract Type: Fulltime (40 h/Week)
Job Location: Kirchanschöring (Germany)
Job Start: Immediately

As an international aviation company, Global Helicopter Service GmbH provides specialized helicopter services. These are currently provided with the focus on African countries and the Middle East for humanitarian aid organizations and governmental institutions.

To strengthen our team, we are currently seeking a full-time

Compliance and Safety Officer (m/f/d)

Your major tasks will be:

- Support the Safety department by reviewing incoming reports, assigning them to the appropriate departments or individuals, following up on actions, and assisting the Safety Manager in performing risk assessments.
- Monitor ongoing occurrences and incidents.
- Collaborate with the Compliance department to implement corrective actions and close findings from internal and external audits.
- Assist in the management of change processes.
- Stay updated on relevant EASA and ISO regulations, identifying changes and integrating them into company documentation.
- Contribute to the development and drafting of relevant company documents (OM/A-D, CAME, ISO processes, work instructions, forms, etc.).

Your Benefits:

- **Work where others go on vacation** – located in the middle of Chiemgau, you will find the Chiemsee, the Alps, and Salzburg in close proximity.
- **Meaningful work** – our work supports, among other things, humanitarian aid missions in Africa.
- **Family values** – open-minded, family-oriented work atmosphere with a culture of informal address.
- **Flexible working** – flexitime arrangements with overtime compensation and time off in lieu, as well as 25 days of annual leave to promote your work-life balance.
- **Modern workplace design** – ergonomic and latest technical workplace equipment.
- **Start-up assistance when moving** – we support you in finding your new home and provide a relocation bonus.
- **Numerous other benefits** – a permanent employment relationship with individual training and development opportunities, company events, free coffee, and tea.

Your Profile:

- High integrity and adaptability to changing situations, with a respectful demeanor.
- Work experience, preferably in aviation safety, compliance monitoring and quality management in EASA and ISO environment is an advantage.
- Education or background in aviation or similar field.
- Positive mindset with a great enthusiasm for the aviation industry.
- Strong teamwork and communication skills are essential.
- Proactive in seeking solutions and driving continuous improvement for yourself and the organization.
- Strong problem-solving and analytical abilities, along with a willingness to learn and grow.
- Computer skills to learn and manage new software.
- German and English language skills (both verbal and written).
