Aircraft Type:	Sikorsky S76C++
Job Location:	Africa, Travel paid from home country (relocation not required), Accommodation and transport provided on site
Contract Start:	immediately

Job Description

GHS is a global helicopter operator, unsurpassed in our commitment to superior performance and safety. With access to more than 40 aircraft, our operational and geographic flexibility is second to none. Our team is counted upon around the world to navigate extremely challenging weather conditions, terrain, and high-stakes situations.

Whether rapidly deploying humanitarian aid in a conflict-stricken region, transporting staff and cargo to offshore oil drilling platforms, or securely supporting governmental operations, our accomplished and flexible team consistently exceeds expectations.

Applicants must be at least 21 years old, meet our exceptional standards and meet the minimum criteria below.

If you believe that you possess these qualities, we will offer you a freelance term contract and competitive salary.

Minimum qualification requirement:

EASA Part 66 B1.3 Certifying Staff S76C++

- A valid EASA Part 66 B1.3 License with the Sikorsky S76C++ and Turbomeca Arriel 2S2 included
- Human Factor initial training and valid recurrent training
- 6 month of working experience on a type relevant aircraft within the last two years
- Fluent in English language, written and spoken
- Organizational skills
- Experience in Africa

Contract start will be **August/September 2023**.
