

Advanced Pilot training

Our training offers focus on advanced training for individual pilots and aviation companies including IFR-courses, twin conversions, MCC course and Bell 212/412, Sikorsky S76C++ as well as H225 type rating courses.

Our instructors are highly experienced with thousands of hours of a wide variety of helicopter instruction and operational mission flying which qualifies them to provide meaningful skills transfer in conjunction with top-class instruction which blends together for the benefit of the student under instruction.

GHS offers the following under its EASA Approved Training Organization (ATO):

- Instrument flight rules (IFR) training
- Type training/rating Multi-pilot helicopter (MPH) & Single-pilot helicopter (SPH)
- Type Rating Instructor (TRI) & Instrument Rating Instructor (IRI) training
- Multi-Crew Cooperation (MCC) training
- Special mission training
 - Fire fighting
 - Long Line
 - Air Ambulance
 - NVIS
- Pilot qualification courses
 - Human Factors
 - Crew Resource Management (CRM)
- Pilot Proficiency Checks (LPC's)
- Individualized simulator sessions
