

Job Description

Your Benefits:

- **Work where others go on vacation** – located in the middle of Chiemgau, you will find the Chiemsee, the Alps, and Salzburg in close proximity.
- **Meaningful work** – our work supports, among other things, humanitarian aid missions in Africa.
- **Family values** – open-minded, family-oriented work atmosphere with a culture of informal address.
- **Flexible working** – flexitime arrangements with overtime compensation and time off in lieu, as well as 25 days of annual leave to promote your work-life balance.
- **Modern workplace design** – ergonomic and latest technical workplace equipment.
- **Start-up assistance when moving** – we support you in finding your new home and provide a relocation bonus.
- **Numerous other benefits** – a permanent employment relationship with individual training and development opportunities, company events, free coffee, and tea.

Company: GHS
Contract Type: Fulltime (40 h/Week)
Job Location: Kirchanschöring (Germany)
Job Start: immediately

As an international aviation company, Global Helicopter Service GmbH provides specialized helicopter services. These are currently provided with the focus on African countries and the Middle East for humanitarian aid organizations and governmental institutions.

To strengthen our team, we are currently seeking a full-time

CAMO Engineer (m/f/d)

Your major tasks will be:

- Control, plan, and organize complex helicopter maintenance tasks in EASA Part CAMO for our fleet.
- Ensure that daily flight activities are logged correct.
- Plan upcoming maintenance schedules.
- Prepare and distribute work orders/packages for maintenance tasks.
- Analyze Work Reports, update the aircraft Log and complete Log Cards.
- Analyze long-term maintenance forecasts.
- Analyze Airworthiness Directive / Service Bulletins.
- Support Reliability Program Analysis.

Your Benefits:

- **Work where others go on vacation** – located in the middle of Chiemgau, you will find the Chiemsee, the Alps, and Salzburg in close proximity.
- **Meaningful work** – our work supports, among other things, humanitarian aid missions in Africa.
- **Family values** – open-minded, family-oriented work atmosphere with a culture of informal address.
- **Flexible working** – flexitime arrangements with overtime compensation and time off in lieu, as well as 25 days of annual leave to promote your work-life balance.
- **Modern workplace design** – ergonomic and latest technical workplace equipment.
- **Start-up assistance when moving** – we support you in finding your new home and provide a relocation bonus.
- **Numerous other benefits** – a permanent employment relationship with individual training and development opportunities, company events, free coffee, and tea.

Your Profile:

- At least 2 years of relevant work experience.
- Comprehensive knowledge of aviation and helicopters desirable.
- Familiarity with EASA regulations and standards related to aircraft operations and maintenance desirable.
- Experience in a CAMO environment is a plus.
- Proficient in common MS Office applications.
- Fluent in English both written and spoken, basic knowledge of German is desirable.
- Strong organizational and time management skills.
- Ability to work in a team and independently.
- Aviation background with Bell 412, S-76, and/or EC225, as well as an aircraft maintenance license would be advantageous.
- Willingness to work outside standard hours, including weekends and holidays.
- Willingness to work and live in Germany.
- Valid visa and work permit for Germany.
